Hi Mrs. Gathas,

I hope you and your family are doing well and enjoying your summer so far. I just wanted to thank you so much for writing my KEYS recommendation letter at the last minute. I really appreciate your taking the time and effort to write the letter as I'm sure it absolutely improved my application. I don't think I would have made it into such an enjoyable and beneficial program without your help. I will be sure to let you know how it goes when I see you again next year. Have a great rest of your summer and I look forward to working with you for college counseling.
